What's the difference between the Fun Run and Coached Run Through?

- Fun Run is unsupervised and is unlimited in the size of group. You are free to train as you wish for your timed turn. You may have several runs in the session. *(due to time constraints we no longer provide course analysis on the fun run)*
- Coached Run Through is just that. An Instructor guides you thru course analysis and discusses handling options, you walk/run, then are given coaching advice and opportunities to apply that feedback on another run. There are entry limits for a Coached Run Through group - reserve your spot early.
- You may sign up for a Coached run through spot and a fun run, to get a nice mix of practice and apply skills :-)
